

HOW TO FIND US and where to park

The Harpenden Highland Gathering is held in Rothampsted Park, Leyton Road, Harpenden - only a few minutes walk along Station Road from Harpenden Railway Station.

Driving from the North, exit the M1 at Junction 10 and take A1081 to Harpenden (approx 4.5 miles). Proceed along the High Street to the end of the town, straight across the mini roundabout at The Harpenden Arms. At the next mini roundabout, go straight across passing The Silver Cup on the right, within 50 yards turn left into the car park.

Driving from the South, proceed through St Albans and take the A1081 to Harpenden (approx 4 miles). At the

main roundabout, signposted Redbourn to the left, go straight across and follow the signs to the car park. The traffic may be controlled by the police, follow their instructions.

If, due to poor conditions, we are prevented from using the common as a car park, turn right (from the North) or left (from the South) into Rothamsted Research Station and follow the signs.

Disabled Parking

Limited spaces are available inside the site (see Event Layout). The gate attendants will direct you. Please clearly display your badge. If there are no free spaces, drivers should drop you off at the gate and proceed to the main car park .
